

HEALTH, BEAUTY & RELAXATION ~ BODY MASSAGE

“Ayuverdic Massage”

This is a special treatment, popularly called "Kerala Treatment" which was developed centuries ago by the physicians of Kerala in India. A whole body massage with lightly heated medicated oil selected according to a person's idiosyncrasy (Vata, Pitta, Kapha) or body condition, helps to improve circulation, promotes metabolic activities, relaxes muscles, tones up the whole body, alleviates fatigue and increases skin texture. You might find interesting that the oils used are from the Arya Vaidya Pharmacy which are kept alive in Kerala, the ancient tradition of Ayurveda and are recognized by CSIR of the Government of India.

DURATION : 60 MINUTES – COST : 130 EURO

“Holistic Massage”

Holistic massage treats the individual as a whole. This full body massage begins with a light massage with essential oils, which relax the muscles and calm the mind. A deeper massage follows, with a blend of western and eastern techniques, such as Swedish massage, Shiatsu and Reflexology, opening the energy center and letting it flow through the body.

DURATION : 60 MINUTES – COST : 110 EURO

“Deep Tissue Massage”

A powerfully penetrating massage using proven therapeutic techniques to loosen & lengthen even the deepest layers of musculature. Massage oils are applied to the body along with firm pressure to release tension & return the body muscles to their aligned position helping the bones to fall into the correct posture. Application of pressure to trigger points (using fingers & elbows) dramatically helps reduce spasms & break up adhesion in your muscles.

DURATION : 60 MINUTES – COST : 120 EURO

“Shiatsu – Thai Massage”

Shiatsu is the ancient Japanese art of acupressure combining the techniques of massage and Yoga. Thai massage is one of the ancient healing arts of traditional Thai medicine. Feet, palms, thumbs, elbows and knees are the tools of the therapist with a gentle soothing way of pressing, pulling, stretching and manipulating the body. Improve flexibility, alleviate pain, increase vitality and offer a completely pleasurable, relaxing experience. During the massage the body remains clothed, so comfortable clothes are recommended.

DURATION : 60 MINUTES – COST : 120 EURO

“Pre-natal Massage”

Pregnancy is a phase of great physical and emotional change. It is a perfect time for a woman to practice nurturing herself in preparation for her new role as a caregiver. Good nutrition, ample rest and regular pre-natal massage benefit not only the mother-to-be but also her unborn child

DURATION : 60 MINUTES – COST : 110 EURO

“Hot Gemstone Therapy & Ayurvedic Oily Massage”

The use of therapeutic gemstones has its roots in diverse cultures and systems such as Ayurveda, Chinese medicine and Native American shamanism, and is reflected in the more recent practices of crystal healing. Hot Gemstone is a massage utilizing the principles of thermotherapy and in combination with warm Ayurvedic herbal oil, is a form of internal and external purification of the body, mind and soul. This full body massage combines all benefits of hot gemstones and Ayurvedic massage, in particular chronic problems such as shoulder stiffness, lower back pains & backache bad lymph circulation. Chakra balancing and Reiki are included to enhance healing and clarity. This therapy goes beyond the physical experience of a typical massage through the special vibration energies of the gemstones.
